RURAL is a magazine that focuses on Jersey's rural environment, its countryside, agriculture, culture and community.

Rural magazine is targeted at people who value the quality of life in Jersey and are passionate about the Island's environment, countryside, community, culture and heritage.

Our high standard of editorial is written by local contributors who live and work in Jersey and are committed to providing factual and un-sensationalised reporting and explanations of current news topics of special concern to islanders.

6000 printed copies are published quarterly and distributed throughout the Island at over 200 selected outlets, including Waitrose and Co-Op Grande Marches supermarkets, farm shops, fine food outlets, country pubs, cafes, restaurants, golf and social clubs, hotels and corporate reception areas. It is also distributed by selected companies in their home delivery packs.
